

THE JOINT ROVER CLUBS INVITE YOU TO

Lazy Saturday in the Garden

17th JULY 2010 ~ FROM NOON

Lazy Saturday in the Garden is an afternoon picnic within the historic Walled Garden on the Luton Hoo Estate.

The event will be open to all cars and motorcycles aged 20 years and older, with more modern classics accepted at my discretion. Priority for the spaces inside the Walled Garden will be given to members of the Joint Rover Clubs. Vehicles will be parked as they arrive. There will be no judging of vehicles. There will be parking available, outside the Walled Garden on payment, on the day for spectators and classics which haven't booked. Subject to the level of interest we will have some music, a licensed bar, and some catering facilities.

Luton Hoo Walled Garden is set in a beautiful estate with entry from the New Mill End Road along a lovely tree lined drive. You can read some of its history at; www.lutonhooestate.co.uk. There will be NO ENTRY to the estate before Noon

Proceeds from the event will be divided between The Walled Garden Project and Help for Heroes. Please fill in this form & print with required details and a SAE & cheque for £5 payable to 'The Rover P5 Club' and post to:

Peter Madden, "Lazy Saturday in the Garden", 48 Whitehill Avenue, Luton, LU1 3SR.
